

## YUMYUM FLAMENCO KNIT PILLOW

Directions: Easy

Size: 47 cm (18 in) wide and 26cm (10 in) long

### Abbreviations:

CO: cast on

st(s): stitch(es)

### *Materials:*

- [YumYum Yellow \( 506\) Hayfield Fiesta DK](#) (50% bamboo, 50% acrylic) 1 ball
- [Flamenco \(507\) Hayfield Fiesta DK](#) (50% bamboo, 50% acrylic) 1 ball
- 9mm (13 US) knitting needles
- 8mm (11 US) crochet hook (for the border)
- a pillow (mine measures 45x25 cm)
- Tapestry needle

### *The Pattern:*

You will be knitting holding both yarns at the same time. The pillow casing is knit in two pieces and is crocheted together around a pillow.

CO 52 sts.

Row 1: Knit all sts.

Row 2: Purl all sts.

Continue repeating the same pattern (stockinette stitch) until cover measures approx. 24 cm from CO edge.

The height is a bit smaller than the actual pillow to make it more poufy!

Repeat the whole process another time to make the second piece.

### *Assembly:*

Take your two knit pieces and pin on the pillow using some safety needles to hold its position. Grab your crochet hook and start crocheting around the pillow through both knit pieces using the single crochet stitch. Upon reaching the first corner make 3 single crochet stitches to help maintain the form of the pillow. Repeat around all the way. Fasten off and weave in any remaining ends.
