

# Winter Dolls

## A Crochet Pattern

### By Annaboo's House

Meet Big Pip, Nat and Baby Mo.

These cute winter dolls will brighten up any dreary day and are a quick, easy make.

## Stitches and Abbreviations:

I use US crochet terms, so single crochet here is the SAME as UK double crochet

Chain (ch)

Single Crochet (sc)

Stitches (sts)

Single Crochet 2 Together (sc2tog)

Slip Stitch (sl st)

## To Single Crochet 2 Together (Sc2tog)

Insert hook into next stitch

Yarn over, pull up a loop

(You will have 2 loops on your hook)

Insert hook into next stitch

Yarn over, pull up another loop

(You will have 3 loops on your hook)

Yarn over and pull through all 3 loops.

This pattern is worked in rounds, in a continuous spiral of stitches.

You'll need your stitch marker to mark where you begin each round.

approx 12cms tall

## Attaching the head to the body

You can stitch the head to the body in the traditional way if you like, but if you fancy trying something EASIER, which gives you a moveable head then use a large safety eye:

Push the 'eye' shank through the bottom of the head (remember to have it at the right angle) into the neck of the body and attach the collar tightly.

## Complete Body

11. (Sc 2, sc2tog) repeat around (18)

12. Sc 18

Leave the ends to sew in after you have embroidered the star motif.

## Complete Head
